RELEASE FOR EMERGENCY TREATMENT

In the event that your pet becomes ill or is deemed by the El Dorado Pet Club to need medical care we will attempt to contact the pet's current veterinarian as well as the emergency contact provided by the owner. If such an emergency does not allow the time to do so prior to the administration of care, the owner authorizes the El Dorado Pet Club (EDPC) to obtain medical attention for the pet from a qualified veterinarian we select, and to transport the pet to and from such veterinarian when the EDPC deems such medical care is important to the pet's health. The owner grants EDPC, it's employees or agents, full power of decision making involving the medical care of the pet if the owner is not reachable and the owner agrees to pay for all costs of such treatment.
